

BIC Plzeň- Podnikatelské a inovační centrum

WORKSHOP **Inovační potenciál ČR**

vědeckotechnické parky v ČR, mezinárodní spolupráce, transfer technologií

Praha 5.září 2017

Zkušenosti vybraných akreditovaných VTP v ČR s mezinárodní spoluprací na úrovni VTP a inovačních firem v nich umístěných

- Kdo jsme, jaké služby poskytujeme
- Jak vznikl projekt VTP v Plzni
- Jaké aktivity a zkušenosti máme s mezinárodní spoluprací

25 let podporujeme podnikání a inovace

Pomohli jsme firmám získat více než **1,175 miliardy Kč** na výzkum a vývoj, inovace, na nové technologické vybavení, ochranu duševního vlastnictví, marketingové aktivity v zahraničí

Zpracovali jsme více než **430** žádostí o dotace a úvěry z národních a evropských podpůrných programů

Iniciovali jsme „podnikatelské vouchery“- program pro podporu spolupráce firem a výzkumných organizací, kterého od roku **2013** už využilo více než **80** firem

Více než **100** firem již využilo prostory v areálu vědeckotechnického parku jak pro zahájení podnikání v inkubátoru, tak pro inovační rozvojové aktivity

Naše akce, workshopy, semináře či konference navštívilo téměř **4300** účastníků

Od roku **2008** využívá našich služeb na podporu internacionalizace, např. vyhledání obchodních, technologických či výzkumných partnerů, téměř **240** firem

Akce na motivaci ke vstupu do podnikání navštíví každoročně desítky zájemců zejména z řad univerzitních studentů.

About the Company

SpeechTech deals with the research and development of speech computer processing with a special focus on Czech, Slovak, Russian, English language – and many others are to be involved in the future. The main task is to recognize the speech and to do its synthesis. Apart from products and services mentioned in this portfolio, the company offers consultancy and development in voice dialogue systems, in recommendation engines, or, in the long-term topical issue - in identification or verification of people by using their voice uniquely.

Business and Innovation Center BIC Plzeň

BIC Plzeň - Podnikatelské a inovační centrum

The mission of BIC (Business and Innovation Centre) Plzeň, founded by the City of Plzeň in 1992, is to support the development of business innovation in the region. BIC Plzeň acts in the framework of international networks supporting business and innovation and in partnership with numerous organisations at regional, national and international level. BIC Plzeň's services are aimed primarily at SMEs (companies with fewer than 250 employees) and include, for example, support for the establishment of new innovative companies; assistance in developing existing firms; help with seeking and obtaining funding for development projects and involving companies in national and European programmes; support for introducing innovations in companies and finding suitable partners for development, production and commercial collaborations; provision of business innovation premises and a full range of related services; and information and consultancy services for doing business in the EU.

This incubator is part of: [Science and Technology Park Plzeň](#)

Rating: 0.00 So far no ratings were made.
Ratings only are shown if at least three persons
