If interested in giving a speech (send by e-mail):

**September 5, 2013**

INNOVATION 2013 programme distribution:

**October 10, 2013**

## **XX International Fair of Inventions and Innovation (December 3 - 6, 2013)**

Within the international fair of invention and innovation will be presented the results of research, development and innovation by domestic and foreign exhibitors. The aim is to show the results of products within Innovation of the Year 2013 Award competition, results of research and development activities, science and technological parks in the Czech Republic and project SPINNET, successful project researchers in the EUREKA and Eurostars programmes, results of firms that successfully participate in domestic research and development programmes and domestic and foreign partners of AIE CR. Results of the System of Innovative Entrepreneurship in the Czech Republic will be presented as well.

Exhibitors will have the opportunity to use the Information Centre of INNOVATION 2013 services for presenting their own audiovisual programmes (video, www, hypertext etc.) for invited guests who have booked in advance.

Full-time exhibitors' attendance is not necessary; Information Centre INNOVATION 2013 can file additional information materials and make contact with interested persons.

If interested in giving a speech (send by e-mail):  
**September 5, 2013**

Exhibition opening:  
**December 3, 2013 , 4 p.m.**

## XVIII Innovation of the Year 2013 Award

Competition criteria will be published in the journal Inovační podnikání a Transfer Technologí, enclosure Transfer technologí (Technology transfer) and can also be found on the websites of AIE CR ([www.aipcr.cz](http://www.aipcr.cz)).
