XIX International Fair of Inventions and Innovation (December 4 – 7, 2012)

Within the international fair of invention and innovation will be presented the exhibitors' results of domestic and foreign research, development and innovation. The aim is to show the results of products within Innovation of the Year 2012 Award competition, results of research and development activities, foreign project researchers within Activity MOBILITY, KONTAKT II programmes, science and technological parks in the Czech Republic, successful project researchers in the EUREKA and Eurostars programmes, results of firms that successfully participate in domestic research and development programmes and domestic and foreign partners of AIE CR. Results of the System of Innovative Entrepreneurship in the Czech Republic and Enterprise Europe Network project will be presented as well.

Exhibitors will have the opportunity to use the Information Centre of INNOVATION 2012 services for presenting their own audiovisual programmes (video, www, hypertext etc.) for invited guests who have booked in advance.

Full-time exhibitors' attendance is not necessary; Information Centre INNOVATION 2012 can file additional information materials and make contact with interested persons.

If interested in giving a speech (send by e-mail):
September 5, 2012

Exhibition opening:
December 4, 2012 , 4 p.m.
